

Schedule of Meetings of the NCP XFEL and ERI Council for 2026

and Meetings of the SK ESFRI FMEZ Commission

The schedule defines the planned dates of meetings of the Council and the ESFRI Commission, including a preliminary agenda. The schedule is an open document and may be continuously updated based on proposals from members of the ESFRI Commission and the NCP XFEL Council. The meeting agenda is determined by the Chair in consultation with the Council leadership.

Each Council meeting begins with a review of task fulfillment and resolutions. Under the "Miscellaneous" agenda item, current topics in research infrastructures under the Commission's responsibility are discussed, as well as requests for financial support. Minutes from meetings are published on the NCP XFEL and ERI website in the "Minutes from the Meetings" section.
